Dear Pastors and Praying Friends

September 2007

Furlough Travels:

Our furlough is going great and we have been blessed with being in churches that have a heart for missions. It has been a joy sharing what God has done in Wales over these past 10 years. We have travelled to many states and have had the privilege of visiting several of our supporting churches as well as new ones. We want to thank you for your prayers for our family these past three months. God has truly provided for our needs and has protected us as we travel. The months of May through August have been very busy as we have reported to 27 churches. We thank the Lord for allowing us to share our burden and ministry to these wonderful church families.

Family News:

With the month of August now upon us, our two oldest children have started a new school year. Tennille is now being challenged with being a wife, a mom, and now a school teacher. Please pray for her and our children as we have started home schooling for another year. Breanna has started 3rd grade and Iestyn has started Kindergarten, while our third child, Ian is coloring and learning as a 3 year old.

In the month of September, we will be travelling to churches in Louisiana, Mississippi and also South Carolina. October and November, I will be travelling to Alaska for several mission conferences. Please pray for protection and provision for these meetings. I praise the Lord for this wonderful opportunity of sharing our ministry to the churches in Alaska. While I am away, Tennille and the children will be visiting with her parents, Curtis and Debra Couch. They will be flying home for their furlough from the country of Chile, South America. Tennille and the children are delighted that they are coming home and also for the opportunity to spend time with them.

Future News:

We are returning to Wales. Our date is set for January 15, 2008. We have purchased tickets by faith, using the good ole credit card. We praise the Lord that the prices of the tickets were \$1700.00.

We would like to thank the following churches that have taken us on for support since we have been on our furlough.
